Notice of Violation of Academy Publisher Publication Principles

“Metrics for Measuring the Quality of Software Modularization”
by Praveen S. Revankar and Atul B. Chaudhari
International Journal of Recent Trends in Engineering
Volume 2, Number 3, November 2009, Page(s): 135-137

After careful and considered review of the content and authorship of this paper, the above paper has been found to be in violation of Academy Publisher’s Publication Principles.

The second author (Atul B. Chaudhari) has taken full responsibility and this violation was done without the knowledge of the first author (Praveen S. Revankar). This paper contains significant portions of original text from the paper cited below. The original text was copied without attribution (including appropriate references to the original authors and/or paper title) and without permission:

Due to the nature of this violation, reasonable effort should be made to remove all past references to this paper, and future references should be made to the following article:

“API-Based and Information-Theoretic Metrics for Measuring the Quality of Software Modularization”
by Santonu Sarkar, Girish Maskeri Rama, and Avinash C. Kak
